Request from the Merseyside Management Committee

In 2026 Steve Davies, who is the current Merseyside Management Committee Chairman, will become the BCGBA President and because of this honour Merseyside will be hosting the BCGBA Senior Merit that year.

We would like Merseyside to be well represented in this BCGBA competition which will be held at one of our clubs and the number of qualifiers for the 2026 competition will depend on the number of entries we receive for our 2025 Merit.

Therefore, we are asking if all clubs in Merseyside (excluding ladies only clubs) could enter at least one member of their club into the merit this year. Preferably more than one entry if possible. Increased entries this year will mean a higher number of qualifiers for Merseyside in 2026.

I hope you will all support us with this request.

Many thanks.
